NORTHERN CALIFORNIA GROWN ROSES

"Nature Ripened"

W. B. CLARKE & CO.

Growers of Quality Roses for Over 30 Years

Our Northern California grown roses ripen early so we can normally ship bush and climbing roses, thoroughly hardened, in early December if required — a distinct advantage to those in areas where early planting is possible.

Grading is in accordance with A. A. N. standards and we are particularly careful in handling.

Shipping. Our responsibility ceases when plants are delivered to transportation company in good order, and travel at buyer's risk. Please state distinctly method of shipment desired.

Complaints must be made in writing within 10 days after buyer receives the goods.

We are members of **ALL AMERICA ROSE SELECTIONS** which gives us first access to the annual *All America Winners*
